2/ONEOverlap™

New generation of double cases

- **2/ONEOverlap™ slim model is based on a unique patented overlap system, which enables one case to hold two discs – both visible at the same time and in a standard size dvd case format.**
- **No extra costs for insert trays, inventory space and extra handling.**
- **Extra booklet space – we recommend up to 4mm.**
- **Suitable for automation – i.e. Ilsemann & Gima packaging machines.**
- **Featuring the DVD friendly rosette/hub and the patented overlap system.**
- **Licensed under: US 5, 743, 390 EP 0, 676, 763 from Pozzoli, Italy.**
- **The case is carefully designed to respect sensitive DVDs and the design ensures safe disc protection and transportation.**
- **2/ONEOverlap™ is part of the new multiple disc system, which can be upgraded to include up to 8 discs.**
- **Made from virgin polypropylene material guaranteeing consistent and superior quality.**
- **Offering a wide variety of colours, character logos and individual creative ideas – Scanavo is ready to offer you large capacity, a short turnaround time and superior customer service.**
