

2/ONE X-tra

 **SCANAVO**
WE CARE FOR YOUR FINE PRODUCTS

2/ONE X-tra

- **2/ONE X-tra** is based on a unique patented overlap design, which holds two DVD or CD discs, both visible at the same time, with DVD friendly rosette-hub.
- Size as per industry standard 22 mm thick DVD cases.
- No extra costs for insert trays, inventory space and extra handling.
- Booklet space up to 8 mm.
- Designed to ensure safe disc storage, handling and transportation.
- Engineered for use on automated packaging machines (i.e. Ilseemann, Gima, Kyoto).
- Approved by leading replicators and film production studios.
- **2/ONE X-tra** is part of our new multiple disc system which can be upgraded to include up to 8 discs.
- Made from one-piece virgin polypropylene material that guarantees consistent and superior quality.
- Offering a wide variety of colours, character logos and individual creative ideas, Scanavo is ready to offer you large capacity, a short turn-around time and superior customer service.
